Diamond Days
Kids In Glass Houses

C#

F#
I feel your body shaking
Lying next to mine
C#
Could be the devil talking
Could be the holy wine
F#
Says we can do whatever
Says we can lead the blind
C#
Cause the closest to alive youâ€™ll feel this side of death
Is knowing that you tried

F G# C#m
Weâ€™re screaming at the moon together
E F G# C#m
And tonight weâ€™re gonna live forever
F#
Cause the diamond days
G# F
Fade away
G#sus4
And weâ€™re gonna run away
F#
Cause the diamond days
G# F
Fade away
F# G#
Tonight weâ€™re gonna live forever

F#
I hear the darkness calling
On the edge of town
C#
Weâ€™d better go on walking
If the car breaks down
F#
We go down together
Cause what is yours is mine
C#
The closest to alive weâ€™ll feel this side of death
Is knowing that we tried

F G# C#m
Weâ€™re screaming at the moon together

E F G# C#m
And tonight weâ€™re gonna live forever
F#
Cause the diamond days
G# F
Fade away
G#sus4
And weâ€™re gonna run away
F#
Cause the diamond days
G# F
Fade away
F# G#
Tonight weâ€™re gonna live forever
