Saturday
Kids In Glass Houses

I m pretty sure this is right.
Enjoy. :)

```
A
And I wish I could sleep
        A
But I m tied down, dirty in these borrowed sheets
            F#m
It s been a week
              F#m
And I ve been singing to my feet, yeah
F#m
But I won t admit defeat  til
D9                       E
Saturday, Saturday, Saturday
well come my wayâ€¦

A
For your information
          A
I love my demons
           A            F#m
Cause they keep me company, yeah
              F#m
I ve grown to love my new routine
          D9
But on my better days
D9                   E
Better days, better days

A                                A/F#
Consider yourself one of my best friends
F#m                              D9
Consider yourself one of my enemies
        E
Oh enemies

A
And I wish I could speak
              A
We spend the last half hour in the back room
            F#m
Celebrating me
          F#m
And now I feel a little cheap, yeah
      F#m
```

```
But I won t admit defeat  til
D9                  F#m
Saturday, Saturday, Saturday
D9
And it s not one of my better days
D9                   E
Better days, better days

A                                A/F#
Consider yourself one of my best friends
F#m                              D9
Consider yourself one of my enemies
        E
Oh enemies
A                                   A/F#
Show a little skin you ll make a million
F#m                                          D9
Bare a little soul you ll make a million more
D9
Show a little skin you ll make a million
E
Bare a little soul you ll make a million more

       F#m
When I grow up, woah
           D9
I wanna be famous, woah
             F#m
And when you grow up, woah
               D9
Will you still blame us?

A
And I wish I could sleep
        A
But I m tied down, dirty in these borrowed sheets
            F#m
It s been a bitch of a week, yeah

D9                       E
Saturday, Saturday, Saturday

A                                A/F#
Consider yourself one of my best friends
F#m                              D9
Consider yourself one of my enemies
        E
Oh enemies
A                                   A/F#
Show a little skin you ll make a million
F#m                                          D9
Bare a little soul you ll make a million more
D9
```

Show a little skin you ll make a million
E **F#m**
Bare a little soul you ll make a million more
