**Teenage Wonderland**
**Kids In Glass Houses**

```
                G
When we were young
            Bm                                    Em
We made the mis takes that make us what we are today

D
Today
            G
When we get old
                   Bm                           Em
We long for the lessons that were meant for yesterday
        D
For yesterday
                G
When we were ghosts
                   Bm                                        Em
We showed you the light and dark  til all that s left is grey

    D
So grey
             G
When we are gone
                   Bm                              Em
We hope for the knowledge that you wanted us to stay

     D
To stay

         Bm
In your oils
         C
In your bones

          D
In your dreams, you build a home
          Bm
In your heart
          C
In your hands
         D
In the place you die
                     C   G    D
Your teenage wonderland
               C  G  D
Teenage wonderland

               G
```

When we were young
**Bm** **Em** **D**
We wore out years, orbiting girls like brave new worlds
**G**
When we get old
**Bm** **Em** **D**
We hope just enough to hold something that we can call our own

**Bm**
In your heart
**C**
In your hands
**D**
In the place you die
**C G D**
Your teenage wonderland
**C G D**
Your teenage wonderland

**G**
When we get home
**Bm**
When we get home
**Em**
When we get home
**D**
When we get home
**G**
When we get home
**Bm** **Em** **D**
We hope just enough to hold something we can call our own

**Bm**
I m a boy
**C**
Playing a man
**D**
Trying to understand
**C G D**
This teenage wonderland
**C G D**
Teenage wonderland

**G**
When we get home

When we get home
**Bm**
When we get home

When we get home
**Em**
When we get home

When we get home
D
When we get home

When we get home

G
When we were young
Bm
We made the mistakes that make us
Em
what we are today

D
Today
