[Primeira Parte]

```
 E                D#         D
Maybe it s over, maybe it s not
                C#7                              F#7
But hope is a thing that you find when you re sober
           B
And your clothes are still in my drawers
                          E
Like you re haunting my home
B      D                                    C#m
I d be amazed if you walked through those doors
                      A      B
Like  Hey, how s it going?
                 E
But you haven t come over
           D7
Maybe I m dumb
                           C#7         F#7
But you can t choose your love like a phone number
        B7
And I m still trying to draw all the lines
                           E      D#m
Through my friends and my lovers
         D
It ain t clear how we feel
        C#7                       F#m
When we spend all this time with each other

( B  E  D  C#7 )

C                    E
Is it how it s gonna be?
C                    E
Is it how it s gonna be?
A                    E
Is it how it s gonna be?
A
Is it how it s gonna be?
