-----8-----8-----8-|-88888888777777778881101010887778887 78--8--88101010888778|-
-7-7---7-7---7-7---|-------------------------------------77-77--------------|-
-------------------|-------------------------------------------------------------|-
-------------------|-------------------------------------------------------------|-
-------------------|-------------------------------------------------------------|-

Verse 1:
A                 E
Don t look back into the sun
F#m                     E
Now you know that your time has come
D                       E              A     E
```

And they said that it d never come for you

Verse 2:
```
A                E
Oh my friend you havent changed
F#m               E
Looking rough and living strange
D                           E            A
And I know the you ve got a taste for it too
```

Chorus:
```
D                                                A
I shall never forgive you but she won t let you go
D                                                 E
No shall never forgive you and they wont let you go, oh no
```

Riff again (with 1st ending)

hide this tab

During Riff, Guitar 2 does this for a bit:

```
-7---7---7---7---7---7---7---7---|---------------------------------------------
---8---8---7---7---8---8---7---7-|---------------------------------------------
---------------------------------|---------------------------------------------
---------------------------------|---------------------------------------------
---------------------------------|---------------------------------------------
---------------------------------|---------------------------------------------
```

Verse 3:
```
A                        E
I heard that song at the Death Disco
F#m                 E
Starts so fast and ends so slow
D              E               A     E
All the time I had to think of you
```

1 x Chorus

Riff again (with 2nd ending)

2 x Verse but without any singing (same chords and tab)
