```
E
This shit right here is for you.
E/C       C
All your faces I can see;
          C
You all think it s about me;
       C/C      E
I m about to break.
               E
This is my fate.
E/C   C
Am I still damned to a life,
      C                   C/C
Of misery and hate?
E
You, you ll never know
E                           E/C
What I d do for you.
C
What you all,
C
Put Me through;
C/A        A
I do it for you.
             B
I could (have),
           A
Never (lived),
        B
If it wasn t...
      E
For you.
```
