

Morphine & Chocolate

4 Non Blondes

[Intro] **Ab**

Ab

Substitute my gloom with happiness

Db

Substitute my sickness with health

Ab

Substitute my enemies with real good friends

F#

Morphine and chocolate are my substitutes

Ab

Are my substitutes

Ab

Morphine and chocolate can bring me up

Db

Can warm my heart for me whenever I want it

Ab

And every once in a while when I stop and think

F#

Morphine and chocolate are my substitutes

Ab

Are my substitutes

Ab

And you can say

Db **Ab**

Hey, we've really come a long way

Ab

And you can say

Db **Ab**

Hey, it can only be this way

F#

You might be careful

Ab **Db**

It really hurts when it's real

F#

You might be careful

Ab **Db**

It really hurts when it's real

F#

You might be careful

Ab **Db**

It really hurts when it's real

F# **Ab**

You'll go down, down, down

Set the alarm clock, baby

Don't you miss the sun?

Db

You know, I'm feeling really warm hearted baby

Don't you know I'm feeling like someone

Ab

I'm fearing for my life again

And I am fearing for my heart

F#

Morphine and chocolate could never

Ab

Substitute my art

And that's real love baby
