a permanent address to give - I got it for always.

One thing you need to be if you want to stay here.

Leave me alone  cos I m here where I belong.
A          E             G               D
I feel at home on the street where love is gone.
               C                     D
itâ€™s a hard luck story of Heartache avenue
