This song has two main riffs. listen to the record to get the feeling
of the time, etc, but the basic rifs are the E riff :

```
e-0---0----------------0--|
B-0---0----------------0--|
G-1---1----------------1--|
D-2---2----------------2--|
A-2---2----------------2--|
E-0---0---3---5---3----0--|
```

I guess that would be written as E E/G E/A E/G E , but it is
easier for me to think of it this way.

The A riff is about the same except it uses an A intead of an E.

```
e-0---0----------------0--|
B-2---2----------------2--|
```

```
G-2---2----------------2--|
D-2---2----------------2--|
A-0---0----------------0--|
E-X---X---3---5---3----X--|
```

The chord progression during the organ solos sounds like:

E A E B E

Here are the lyrics with the chords:
