Starry night bring me down

G C  
Till I realize the moon

It seems so distant yet I felt it pass right through

G C G C G  
And I see what I see a new world is over me

C G  
So I ll reach up to the sky  
C  
And pretend that

(Chorus)

G  
I m a spaceman

D  
In another place and time

C  
I guess I m looking for a brand new place

C  
Is there a better life for me?

Subtle wind blow me gone

So I ll get myself real high

Is there a better life for me?

C D  
I remember in my mind

They say I m daydreaming

Is it all that it seems

Or am I all the things I m looking for? ?yea-ha-ha
