All For Love
Lady Antebellum

Intro 2x: **F Am G**

```
  F     Am             G           F
 Love, something you know nothing of
        Am         G        F
 Cause love don t turn and run
                 Am     G        F        Am    G
 And leave you standing in the dark
  F    Am            G             F
 You, tell me that your feelings changed
      Am               G        F
 And you don t wanna stay and break my heart
      Am     G       F        Am    G
 Well baby it s too late

         F
 Cause what about the times that you said to me
      G
 That I was everything that you d ever need
  F
 How come you just up and walk away
      G
 And look me in the eye and say

                      F
 You did it all for love
Am       G           F
 You did it all for love
Am       G           F
 You did it all for love
Am       G
 You did it all for

  F     Am      G               F
 Love, what was I supposed to do?
 Am           G          F
 Falling out can be so cruel
             Am      G         F        Am    G
 But I just can t ignore the truth
  F         Am         G          F
 So, don t tell me I don t understand
      Am              G          F
 Cause I don t want this on my hands
          Am          G       F        Am    G
```

But it s all that s left to do

F
Everything you want s what we used to be
    G
And I can t fight these feelings inside of me
    F
As much as this hurts, it s the only way
    G
Believe me when I say

F
I did it all for love
Am **G** **F**
I did it all for love
Am **G** **F**
I did it all for love
Am **G** **F**
I did it all for love

F **Am** **G** x 4

F **Am** **G** **F**
Love, something you know nothing of
Am **G** **F**
Cause if you did, there s still be an us
Am **G** **F**
I did it all for love

End on **F**
