From: Mike Dare

figure out the solo. Maybe later.

Transcription: Mike Dare (*)

The song starts out in C. Opening chord progression is: C(032010), Am(x02210), F(133211), G(320001)

```
   C      Am        F    G                   C
e-----------------------------------------------|
B-----------------------------------------------|
G-----------------------------------------------|
D--------------0-2---------------------------|
A-----0-2-3-------------------------------------|
E--3----------------1----7-7-5-5-3-3-1-1-0-(0)---|
```

```
    C        Am       F             G                     C
e-----------------------------------------------------------------|
B-----------------------------------------------------------------|
G-----------------------------------------------------------------|
D----------------------3----9-10-----7-9--5-7--3-5--2-3-2-------|
A------------0----2-3-------------------------------------3-----|
E--(0)--1-3-------------------------------------------------------|
```

```
C         Am                          F               G

C         Am     F              G
I think I know,  some things wherever I go

C9(032030)           Am
   You think it s wrong.  I can tell you do.

F                      Dm(x00231)     G
   How can I explain,            when you don t want me to.
```

```
   C      Am       F           G                      C
e-----------------------------------------------------------------|
B-----------------------------------------------------------------|
G-----------------------------------------------------------------|
D--------------0-2-----9-10----7-9--5-7--3-5--2-3-2----------|
A-----0-2-3-----------------------------------------3-------|
```

```
E--3---------------1-----------------------------------------|

C            Am       F              G

C          Am         F            G
I know you know, what I m about, I won t deny it.

C9            Am
  But you forget.  You don t understand.

F                           Dm         G
  You ve turned your head.    You ve dropped my hand.

Am        F       Am        F       Am        F            G
   All my sorrow,    all my blues,     all my sorrow - ow -ow
```

*The song now changes key to E right before to solo. The chord progression is now: E(022100), C#m(x46654), A(x02220), B(x2444x).

```
E               C#m          A                     B
Shut the light,     go away,   fool of grace, and cover your face

E             C#m         A                  B

  E       C#m         A     B                  E   C#m A B
I know, angry tears today,  you won t let them go
```

Outro Solo (simple, yet effective)

```
e----------------------------         ---------------------|
B---7-------5----------------  (x 3)  9-----7-----4--------| (x 1)
G------------------4-----1---         ------------------4--|
D----------------------------         ---------------------|
A----------------------------         ---------------------|
E----------------------------         ---------------------|
```
