Diamonds One Way
Larry Norman

```
Am                G            Em                F
You can take your diamonds and lock them in your room
    C             F              G
And you will lose everything you save
Am                G           Em              F
You can take your flowers and lay them on his tomb
      C       F                C
But I know he rose up from the grave

( C Dm Em F G )

( Em Am )

( Am Bm C Dm C )

C      Cmaj7  C7         F       C       Am        G   G7
One way,      one way to Heaven, hold up high your hand
C      Cmaj7  C7          F               G      C
Follow,       free and forgiven, children of the Lamb
G           G/F#          G/E
Two roads diverged in the middle of my life
  G       G/F#     G/E
I heard a wise man say
    G          G/F#       G/E
And I took the one less traveled by
    G               F                C               G
And that s made the difference every night and every day
   G7     C       Cmaj7  C7         F       C         Am      G   G7
So I say, one way,       one way to Heaven, hold your head up high
C       Cmaj7  C7          F               G      Am  Am/G
One way,       free and forgiven, children of the sky
F        G      Am  Am/G F
Children of the sky
         G        C F G C
Children of the sky
