Grace by Laura Story

[Intro]

Eb Ab Eb Bb

[Verse 1]

```
    Eb          Ab
My heart is so proud
    Bb           Eb
My mind is so unfocused
  Eb                  Ab
I see the things you do through me
   Bb                   Eb
As great things I have done
    Eb               Ab
And now you gently break me
     Bb     Cm    Bb
Then lovingly you take me
    Ab             Eb
And hold me as my Father
    Ab             Bb
And mold me as my Maker
```

[Chorus]

```
          Eb                     Ab
I ask you how many times will you pick me up
Bb                    Eb
When I keep on letting you down
Eb                         Ab
And each time I will fall short of your glory
Cm                       Bb
How far will forgiveness abound?

Eb                      Ab
And You answer, â€œMy child, I love you
        Cm                           Bb Ab
And as long as youâ€™re seeking My face
Cm                      Bb              Eb
Youâ€™ll walk in the power of my daily sufficient grace.â€•
```

[Verse 2]

```
       Eb             Ab
At times I may grow weak
       Bb                  Eb
And feel a bit discouraged
Eb                   Ab
Knowing that someone somewhere
Bb                    Eb
Could do a better job
Eb              Ab
But who am I to serve You
        Bb           Cm      Bb
When I know I donâ€™t deserve You
        Ab              Eb
But thatâ€™s the part that burns in my heart
         Ab             Bb
And keeps me hanging on

Bb          Cm
You are so patient with me, Lord
```

[Verse 3]

```
       Eb             Ab
As I walk with you, Iâ€™m learning
       Bb                  Eb
What your grace really means
Eb                   Ab
The price that I could never pay
Bb                    Eb
Was paid at Calvary
Eb              Ab
So instead of trying to repay you
        Bb           Cm      Bb
Iâ€™m learning to simply obey you
        Ab              Eb
by giving up my life to you
         Ab             Bb
For all that youâ€™ve given to me
```
