Waterfall
Lawson

Hey, no one tabbed this cracking tune so I thought I would. Not 100% sure on the chords
for the pre chorus parts (You re moving on... etc) but I think I m fairly close.
Enjoy, peace!

CAPO 2

Intro: **A** / **G#** / **F#** / **D**

```
A                                        G#/D
  Some things I can live without
                                     F#
Like the way that you let me down
                                     D
Don t wanna have to read about it
A                                        G#/D
  Couldn t even tell me face to face
                                     F#
Always doing it the easy way
                                      D
Left wondering how long you planned it

B7                C#7
   You re moving on to someone
B7                E
   And I don t belong to no one

A                G#/D           F#
I can t do this heartbreak any more
D
Keeps getting harder
A                 G#/D          F#
Holding on  till that s impossible
     D
Like climbing a waterfall
A      G#/D    F#    D
Ooooh, oooh

A
Head down in a crowded place
G#/D
Then I saw ya and I walked away
F#                           D
I wonder if you saw me leaving
A
Didn t really wanna have to say
G#/D
```

How ya doing where you been these days?
F# **D**
That s just the way I m feeling

B7 **C#7**
You re moving on to someone
B7 **E**
And I don t belong to no one

A **G#/D** **F#**
I can t do this heartbreak any more
D
Keeps getting harder
A **G#/D** **F#**
Holding on till that s impossible
D
Like climbing a waterfall

E **F#**
Yeah
D **A** **E**
I, I tried, for you
F#
Yeah
D **A** **E**
I, I died, for you
A
Oh yeah

A **G#/D** **F#**
I can t do this heartbreak any more
D
Keeps getting harder
A **G#/D** **F#**
Holding on till that s impossible
D
Like climbing a waterfall
A **G#/D** **F#** **D**
Ooooh, oooh
D
Like climbing a waterfall
