Had It With You
The Rolling Stones

Intro (**B E B F# B**)

(**B B4**)
I love you, dirty fucker
Sister and a brother
Moaning in the moonlight
Singing for your supper
E **B**
Cos I had it I had it I had it with you
I had it I had it I had it with you
(**B B4**)
You always seem to haunt me
Always try to haunt me
Serving out injuctions
Shouting out instructions
E **B**
But I had it I had it I had it with you
I had it I had it I had it with you
I had it I had it I had it with you
(**B B4**)
And I love you with a passion
In and out of fashion
Always got behind you
When other tried to blind you
E **B**
But I had it I had it I had it with you
I had it I had it I had it with you
I had it I had it I had it with you
B
It is such a sad thing
To watch a good love die
I ve had it up to here babe
I ve got to say goodbye
E **B**
Cos I had it I had it I had it with you
And I had it I had it I had it with you
(**B B4**)
Loved you in the lean years
Loved you in the fat ones
You re a mean mistreater
You re a dirty dirty rat scum
E **B**
I had it I had it I had it with you
B **F#**
I had it I had it I had it with you
B
I had it with you

I had it with you
E
I had it with you
B
I had it with you
E
I had it with you
F# **B E B F# B**
I had it with you
