You Werent There
Lene Marlin

[Intro]
C - F - F/G# - Am - Dm - F - Am - F

[Verse]
C F
She came home just won the game
F/G# Am
Long time struggle she fulfilled her dream
Dm F
All she wanted was to make you proud
Am F
You weren t there
C F
Had his birthday a few days ago
F/G# Am
He got some presents, a big party too
Dm F
And there were congratulation cards
Am
As it used to be for
G
Not ever one from you

[Chorus]
F
You weren t there
Dm
Distant far away
Am
it s like this every day
G
I see it in their heads
Dm
Wonder if you ll come
F
Afraid to close their eyes
Am
And miss you once again

[Verse]
C F
She cut herself on that piece of paper
F/G# Am
It didn t hurt but she saw the blood
Dm F
She could need that embrace
Am F

```
You weren t there
C                          F
Did he have to cry louder?
F/G#                       Am
Would that make you hear him?
Dm                         F
You see his heart was broken
         Am     G
For the first time

[Chorus]
                F
You weren t there
             Dm
Distant far away
                    Am
it s like this every day
                      G
I see it in their heads
                  Dm
Wonder if you ll come
                       F
Afraid to close their eyes
                     Am
And miss you once again

[Bridge]
Am         G
You cannot turn back time
  F                 F/G#
I wish that to come true
        Dm                G     F
They re making up these stories about you

[Chorus]
             F
You weren t there
              Dm
Distant far away
                     Am
It s like this every day
                     G
I see it in their heads
                 Dm
Wonder if you ll come
                       F
Afraid to close their eyes
                       Am  G
And miss you once again
 F                 Dm       Am
Miss you once again...
```
