Haunt U
LiL PEEP

Em **C** My time is here and I m making it clear**G** Oh I love you my dear**D**But I m going, I m gone**Em** **C**I might come back when the Benz all black**G**Ten racks on my lap**D**If I don t relapse and I stay strong**Em**I could do anything I want to**C**Bump Lil Peep, when I die I mma haunt you**G**I could live forever if I want to**D**I could stop time but I never wanna do that again**Em**Nothing worse than losing a friend**C**And the feeling you get when everybody that you love ain t around**G**I really gotta get away from this town **D** I m just waiting for a wave and I ll drownSatan letting me down**Em**
CI just wanna help you see, you should run away from me**G**Baby I m a drug and I don t wanna hurt you**D**No I m not gonna hurt you girl, not at all**Em**I ain t gonna set you free**C**All you gonna get from me**G**Little bit a love and a little virtue**D**If I hurt you, I ll end it all(**Em** **C** **G** **D**)
