Lindsey Pavao

Capo 2

Gm-Bbadd9 x2

```
Gm                                Bbadd9
Come on skinny love just last the year
Gm                                Bbadd9
Pour a little salt, we were never here
Gm                          Bbadd9
My, my, my, my, my, my, my, my
                 F                           Gm
Staring at the sink of blood and crushed veneer

Gm                        Bbadd9
Tell my love to wreck it all
Gm                            Bbadd9
Cut out all the ropes and let me fall
Gm                          Bbadd9
My, my, my, my, my, my, my, my
               F                     Gm
Right in this moment this order s tall

       Bbadd9
And I told you to be patient
       F               Gm
And I told you to be fine
       Bbadd9
And I told you to be balanced
       F              Gm
And I told you to be kind
       Bbadd9
In the morning I ll be with you
        F             Gm
But it will be a different kind
        Bbadd9
I ll be holding all the tickets
         F                   Gm
And you ll be owing all the fines

Gm                         Bbadd9
Come on skinny love, what happened here?
Gm                         Bbadd9
We suckled on the hope in lite brassieres
Gm                          Bbadd9
My, my, my, my, my, my, my, my
                F                        Gm
Sullen load is full, so slow on the split
```

```
     Bbadd9
And I told you to be patient
       F               Gm
And I told you to be fine
       Bbadd9
And I told you to be balanced
     F                Gm
And I told you to be kind
      Bbadd9
And now all your love is wasted
        F                Gm
And then who the hell was I?
           Bbadd9
And I m breaking at the britches
           F                Gm
And at the end of all your lines........(pause)

Bbadd9
Who will love you?
F             Gm
  Who will fight?
Bbadd9          F       Gm
Who will fall far behind?
Bbadd9          F       Gm
Ooh, ooh
