Sea Song
Lisa Hannigan

```
Gm   D   Gm   D

         Gm            D                Gm             D
There s one man, he s like the wishful thinking in my life, I see so.
Gm            D                    Gm          D
     And he s like the wine on the weekend...

     Gm           Cm       Gm           D
And though he is like the sea and it s right he be so,
Gm            D                     Gm    D
     if I hold tight he ll wash over me...

Gm D     Gm   D
Oh oooh, oooh oooh
Gm D     Gm   D
Oh oooh, ooooooh

        Gm         D                        Gm                D
There s one girl I like she s a smile on a monday and she ll fight to stay so.
Gm             D                   Gm         D
     And she s like the sun on the weekend...

     Gm           Cm       Gm          D
And though she is like the sea and she s right to be so,

Gm      D                        Gm    D
      I like that she sails with me...

          Cm        Gm
Didn t we all break down?
          Cm     Gm
Didn t we all fake?
         Cm      Gm
Isn t it alright now?
          Cm           Gm       D
Didn t we all break... out...?

Gm   D

        Gm         D                    Gm               D
There s one man so bright he blocks the light and he ll always be so...
Gm             D                    Gm        D
      And He s like no sleep on the weekend...
    Gm           Cm         Gm         D
And though he is like the sea and he s right to be so,
Gm              D                  Gm    D
```

when I hold tight I sink down deep...

```
          Cm        Gm
Didn t we all break down?
          Cm     Gm
Didn t we all fake?
         Cm      Gm
Isn t it alright now?
          Cm           Gm       D
Didn t we all break... out...?

Gm   D

     Gm           Cm        Gm          D
And though we are like the sea and it s right we be so,

Gm            D           Gm            D
     we could chase tails all the years I ve been given...
