Intro: Cm Gm G# Cm G

Cm Fm Gm

Stars in the sky

Cm Fm B  
When the shadows fall, when the sunlight dies

D# B  
Empty streets are filled, with the pale lamplight

Gm G# Fm G  
We are just two lonely shades, walking in the night

Cm Fm Gm

Words lose their sense

Cm Fm B  
When I feel you near, when I touch your hands

D# B  
I m trying not to think that at break of dawn

Gm G# Fm G  
You ll be gone and I ll be lost, numb and all alone

G# B D# G#  
When the morning comes, I m all alone

B G G#  
Left to live another day, in joy or sadness on my own

B D# G#  
When the morning comes, I m all alone

B  
Every time at break of dawn

Cm Fm Gm

Weak and unwise

Cm Fm B  
I betray all fears that I should disguise

D# B  
Melting in your arms, I fail to realise

Gm G# Fm G  
Why the mornings always change the colour of your eyes

G# B D# G#  
When the morning comes, I m all alone

Every time at break of dawn

Chorus (x2)

Cm Gm  
Love or leave, I m with and without you

**G#** **Cm** **B**

How come I am up to this senseless game?

**Cm** **Gm**

How could I stop thinking about you?

**G#** **D#** **B**

Love or leave, don t play with my heart again...
