E|------2------------2----|
```

[Intro]
**B**

[Verse]
```
            B
use the truth

as a weapon
    B/F#
to beat up all your friends
         B
every chink in the armor
        B/F#
an excuse to cause offense
          F#
and the boys from the hallway
               G#m
calling out your name
           E
and true love
                        B
will find them in the end
E           B
   you are restless
        F#             G#m
i was somewhere less secure
E             B               F#
    so i went running to the row
E             B           F#                G#m
   and so now that this long list of places i was
E             B               F#
     i quit my rambling and come home
```

```
            G#m            E                  G#m
cause maybe i was born to hold you in these arms
                      E                   G#m
maybe i was born to hold you in these arms

[Instrumental]
E B F# G#m E B F#
x2
         B
use your saints
and your mantra
        B/F#
and you things that keep you calm
         B
if you stay
with that asshole
       B/F#
is gonna do you harm
      F#                           G#m
there s a voice calling loudly on the radio
just for you
           E
and good fortune
                       B
will find him in the end
     G#m              E                  G#m
maybe i was born to hold you in these arms
      E     B       E                   G#m
maybe i was born to hold you in these arms
      E     B       E                   G#m
maybe i was born to hold you in these arms
      E     B       E                   G#m
maybe i was born to hold you in these arms
