Lorde

[Intro]

E

[Verse 1]

E
We re never done with killing time
G#m
Can I kill it with you?
A
 Til our veins run red and blue
E
We come around here all the time
G#m **A**
Got a lot to not do, let me kill it with you

[Chorus]

E
You pick me up and take me home again

Head out the window again
G#m **A**
We re hollow like the bottles that we drain
E
You drape your wrists over the steering wheel
G#m
Pulses can drive from here
A
We might be hollow, but we re brave

E
And I like you
G#m
I love these roads where the houses don t change (and I like you)
A **C#m**
Where we can talk like there s something to say (and I like you)
G#m
I m glad that we stopped kissing the tar on the highway
A
We move in empty streets
E
I d like it if you stayed

[Verse 2]

E
Now we're wearing long sleeves
G#m
And the heating comes on

(You buy me orange juice)
E
We're getting good at this

Dreams of clean teeth
G#m
I can tell that you're tired

But you keep the car on
A
While you're waiting out front

You pick me up and take me home again

Head out the window again
