D

I drove by all the places we used to hang out getting wasted

D

I thought about our last kiss, how it felt the way you tasted

Em7

And even though your friends tell me you re doing fine

D

Are you somewhere feeling lonely even though he s right beside you?

D

When he says those words that hurt you, do you read the ones I Wrote you?

[Pré-Refrão]

Em7

Sometimes I start to wonder, was it just a lie?

Em7

If what we had was real, how could you be fine?

D

Cause I m not fine at all

[Refrão]

D D/C#  
 I remember the day you told me you were leaving  
 Bm G  
 I remember the make-up running down your face  
 D D/C#  
 And the dreams you left behind you didn't need them  
 Bm G  
 Like every single wish we ever made

D D/C#  
 I wish that I could wake up with amnesia  
 Bm G  
 And forget about the stupid little things  
 D D/C#  
 Like the way it felt to fall asleep next to you  
 Bm G  
 And the memories I never can escape

Cause I'm not fine at all

[Segunda Parte]

D  
 The pictures that you sent me they're still living in my phone  
 D  
 I admit I like to see them, I admit I feel alone  
 Em7  
 And all my friends keep asking why I'm not around  
 D  
 It hurts to know you're happy, yeah, it hurts that you've moved on  
 D  
 It's hard to hear your name when I haven't seen you in so long

[Pré-Refrão]

Em7  
 It's like we never happened, was it just a lie?  
 Em7  
 If what we had was real, how could you be fine?

D  
 Cause I'm not fine at all
