In My Head
Loreen

Made by ear, capo 1st fret.

Intro: **Dm C Bb C** x2

Dm C Dm
Softly whisper your breath touch me
Dm C Dm
Your hands reap me slowly giving in
Dm C Dm
Time is steady still I m losing track I m dizzy so confusing
Dm C Dm
I feel you all around you re everywhere can t tell if you re for real

Dm C
Do you feel what I feel
Bb C
Do you see what I see
Dm C
Something moving inside
Bb C
Like I m burning alive

Dm
You re in my head
C
Can t get you off my mind
Bb
You re in my head
C
Can t get you off my mind
Dm
You re in my head
C
Can t get you off my mind
Bb
You re in my head
Dm
You re in my head

Dm x8

Dm C Dm
Heavy breathing your eyes on me
And your lips rinding all over my skin
Time is steady still I m losing track I m dizzy so amazing
I feel you all around me everywhere you got me falling

```
Dm                 C
Do you feel what I feel
       Bb         C
Do you see what I see
Dm                 C
Something moving inside
         Bb         C
Like I m burning alive

[Chorus x2]
             Dm
You re in my head
              C
Can t get you off my mind
             Bb
You re in my head
              C
Can t get you off my mind
             Dm
You re in my head
              C
Can t get you off my mind
             Bb
You re in my head
             Dm
You re in my head
```

Dm C Bb C x4

You re in my head
Can t get you off my mind
You re in my head
Can t get you off my mind
You re in my head
Can t get you off my mind
You re in my head
You re in my head
You re in my head
You re in my head
You re in my head
You re in my head
