when the weary day is through?

but it just canâ€™t compete with..you baby.

Youâ€™ve got everything I need,
    C          D               G   Bm   C D
And nobody can please like you do, baby.
Bm                      Am
And who believes all my wildest dreams,
       C                          D
and my craziest schemes will come true?
```
