E                            B
One look at her my heart was stopping (heartbreak)
Abm                    B
I did whatever she was asking
         E                      B
She said   maybe later catch you in the elevator

Abm                     B
A couple days we got to hanging (real close)
E                          B
Since now she wasn t even taken (no no)
Abm                     B                   E              B
I made a move she said  baby you re mistaken, I m not into bacon

Abm          B              E          B
She got that smile and that body is to die for
Abm      B               E               B
One of a kind and that s why it makes me cry

      Abm       B
Cause I found a girl
         E           B
Who s in love with a girl
    Abm           B
She said that she tried
          E        B
But she s not into guys
    Abm          B
Oh, why? Tell me why
      E              B
Did I fall for those eyes?
    Abm        B
She said I was nice
          E        B
But she s not into guys

          B
Under the premise of friends
            E                                  B
But now she only talks to me about some other woman she says
