```
Em                        D       G
Maybe I could be the one they adore
            C    G        D
That could be my infatuation
Em                                          D       G
It s where I m from that makes them think I m a whore
        C      G      D
I m an educated virgin

Em                       Am
Now sleepwalker don t be shy
D                G D/F#    Em
Don t open your eyes tonight
              Am
You ll be the one
D
That defends my life, when I m, dead asleep dreaming

(chorus)
C/G        G          D         Em
Now cupid don t draw back your bow
C/G        G           D        Em
Sam Cooke didn t know what I know
Em    D/F#  G      C/G
Never be your valentine
C                       C*                      C
```

The sleepwalker in me, god only knows I ve tried

(intro)

Let me in, let me drown, or let me swim
Just don t leave me at the window
I could be the one to be your next best friend
You may need someone to hold you

Sleepwalker take this knife
You may see someone tonight
You d be the one who saved my life, when i m, dead asleep dreaming

(chorus)

(bridge)

```
Bm           Bm7
I m in your movie
     C              G
And everyone looks sad
Bm           Bm7           C                  G
I can t hear you, your voice in the laugh track
                       Am
You never saw my best scene
     C                           D
When I sleep....sleepwalk into your dream
```

(intro x2)

Sleepwalker what s my life?
It s only a matter of time to die
Learn to open up my eyes when i m, dead asleep dreaming

(chorus)
