

Beside You
5 Seconds Of Summer

[Verse]

D **Bm**
Within a minute I was all packed up
G
Iâ€™ve got a ticket to another world
D **Bm**
I donâ€™t wanna go
G
I donâ€™t wanna go
D **Bm**
Silent words are hard to speak
G
When your thoughts are all I see
D **Bm** **G**
â€œDonâ€™t ever leave,â€• she said to me

[Pre-Chorus]

D **G**
When we both fall asleep, underneath the same sky
Bm **G**
To the beats of our hearts at the same time
D **G**
So close but so far away
Bm **G**
(Can you hear me?)

[Chorus]

D
She sleeps alone
G
My heart wants to come home
Bm **A**
I wish I was, I wish I was
G
Beside you
D
She lies awake
G
Trying to find the words to say
Bm **A**
I wish I was, I wish I was
G

Beside you

[Verse]

D **Bm**
Another day, and Iâ€™m somewhere new
G
I made a promise that Iâ€™ll come home soon
D **Bm** **G**
Bring me back, bring me back to you

[Pre-Chorus]

D **G**
When we both wake up underneath the same sun
Bm **G**
Time stops, I wish that I could rewind
D **G**
So close but so far away
Bm **G**
(Can you hear me?)

[Chorus]

D
She sleeps alone
G
My heart wants to come home
Bm **A**
I wish I was, I wish I was
G
Beside you
D
She lies awake
G
Trying to find the words to say
Bm **A**
I wish I was, I wish I was
G
Beside you

[Bridge]

F#m **Bm**
The pieces of us both
F#m
Under every city light
A
And the shining as we fade into the night
