MADNESS

THE SUN
AND THE RAIN

INTRO: **E A**

E A
It s raining again,
E A D E
I m hearing its pitter patter down.
A
It s wet in the street
E A D E
Reflecting the lights and splashing feet,
A
Nowhere to go,
E A D
And nothing I have to do, have to do
E A
It s raining again,
E A D E
I follow the Christmas lights down town.
A
I m leaving the flow
E A D E
Of people walking all around,
D E
Round and round,
E A
I hear the sound of rain falling in my ears
E A
Washing away the weariness like tears.
E A
I can feel my troubles running down,
E A
Disapear into the silent sound

the rest just goes on like that
