Leave My Fire
Mando Diao

```
F        Bb     C       F
leave my fire, my fire alone
Bb        C           F
leave my fire in the morning
Bb        C           F
leave my fire in the evening

F       Bb         C          F
read my lips, the words they say
Bb       C           F
read my lips in the morning
Bb       C           F
read my lips in the evening

Bb7                                     F
take whatever you need from here and need me
Bb7                                 C
I just wanna feel the lone for a while

F       Bb      C        F
deja mi fuego, mi fuego solo
Bb      C          F
dejalo en la madrugada
Bb       C           F
deja mi fuego en la noche

F         Bb             C        F
lee de mi labios lo que quiero decir
Bb       C              F
lee mis labios mas que nada
Bb       C            F
lee mis labios en la noche

Bb7                                     F
take whatever you need from here and need me
Bb7                                 C
I just wanna feel the lone for a while

F        Bb     C       F
leave my fire, my fire alone
Bb        C           F
leave my fire in the morning
Bb        C           F
leave my fire in the evening

F       Bb         C          F
