Band : Tindersticks
Song : Blood

This one is called blood I think. I just fooled around with my guitar
while listening to it, but it s pretty simple, so it should be right :-)
(**A** great song..)
It s a lot of mumbling going on.. I can only come up with fragments of
the words ..

Intro:

Dsus4 D Dsus4 D Dsus4 D Dsus4 D

Then it goes:

D
To want somethiong so pure (Or something :)
G **A**
Left me hmm.. .....

(That s the progression .. **D G A**)

chorus:

D
Where does the blood go?
A
It runs away
G
Broken love

to play like on the CD just pick the strings up an down through the
chords (listen to the CD and you ll know what I mean)
There are some variations but they are easy to figure.

Good luck!

ps. more fragments...

There s an ugly crowd inside me, they specialise in violation
.. Now, broken, wondering, why this new ingredient?
