

Carry On

5 Seconds Of Summer

**E**

Carry on, let the good times roll  
Sail along, let your path unfold

**A**

It won't be long, won't be long, won't be long

**E**

You know it's gonna get better, you know it's gonna get better

**E**

Say a prayer for the broken bones  
Cause who cares? We're all going home

**A**

And it won't be long, won't be long, won't be long

**E**

You know it's gonna get better, you know it's gonna get better

**E**

**B**

**C#m**

**A**

I got one foot in the golden life, one foot in the gutter

**E**

**B**

**C#m**

**A**

So close to the other side, so far from the wonder

**E**

**B**

**C#m**

**A**

I got one foot in the golden life, one foot in the gutter

**E**

**B**

**C#m**

**A**

So sick of the tug of war, that keeps pulling me under

**E**

**B**

**C#m A**

Let the good times roll

**E**

**B**

**C#m A**

Let the good times roll

**E**

Carry on, outlast the ignorance  
Moving on, survive the innocence

**A**

Won't be long, won't be long, won't be long

**E**

You know it's gonna get better
