```
F                   C            F            C
Some want to think hope is lost see me stand alone
F               C               F              C
I can t do what others may want then I ll have no home
       C             G       Am                     Em
So for now wave good-bye and leave your hands held high
F                 C       F             G
Hear this song of courage long into the night
       C             G       Am                     Em
So for now wave good-bye and leave your hands held high
F                 C       F             G
Hear this song of courage long into the night

C                 G           Am         Em
And the wind will bear my cry to all who hope to fly
F                 C       F             G
Hear this song of courage ride into the night

Am          F                        C          G
Battles are fought by those with the courage to believe
         Am               F
They are won by those who find the heart
C               G
Find a heart to share
      Am                  F                    C            G
This heart that fills the soul will point the way to victory
F                                G
If there s a fight then I ll be there, I ll be there

       C             G       Am                     Em
So for now wave good-bye, leave your hands held high
F                 C       F             G
Hear this song of courage long into the night
C                 G           Am         Em
And the wind will bear my cry to all who hope to fly
F                  C               F             G
Lift your wings up high my friend fearless to the end
       C             G    Am                     Em
So for now wave good-bye, leave your hands held high
F                 C       F             G
Hear this song of courage ride into the night
