```
G                      A/C#
I heard that there are seasons

To laugh and to cry
  G                 A/C#
I struggle with the season
         F#m7          E7sus4
When You lived and You died
     G                 A
It s hard to play this game

Because the rules, they don t seem fair

If You care, God if You re still there

[Verse 2]
G                A
Bombs falling in Syria

A child dying of AIDS
          G
Fighting  round the world
        A
A daddy lost his girl
F#m7                 E7sus4
Still we kneeled and prayed
    G               A
But Heaven can feel silent
        A7                 Bm
And the floor beneath gets cold
A         E7/G#               Gm6
When your soul refuses to let go

What happens when the healing never comes?
      D/F#                Em7   D/F#
Do we stand and curse the heavens
            Asus4              A
Or lift our hands and feel the Son
    Bm            A
The mystery s not clear

I know we love the seasons

Like summer and the spring

But I ve been stuck in winter
          F#m7          E7sus4
Since the fall of misery
    G               A
One day I m full of anger
        A7               Bm
And the next I m full of fear
A     E7/G#                     Gm6
Every year, is a new supply of tears

           B             Em
Is there a chance for me to believe

I ll count each one  til I m with You
         Gsus4/C          G/B
They say where You are is better

But hurt won t let me see
```

So now I must be silent

Your voice is in the wind

The hands that made the heavens
     F#m7           E7sus4
Will heal the storm within
  G            A
I have so many questions
        A7              Bm
```

```
I don t know where to begin
A              E7sus4/G#
Since You were there at the beginning
    Gm6
You already know the end
