

Don't Stop

5 Seconds Of Summer

[Intro] C F C F

C F
You re like perfection, some kind of holiday
C F
You got me thinking that we could run away
C
You want I ll take you there
F
You tell me when and where
C F
Oh oh oh oh

C
But then I asked for your number
F
Said you don t have a phone
C
It s getting late now
F
I gotta let you know

G
That everybody wants to take you home tonight
G
But I m gonna find a way to make you mine

C F
Don t stop doin what you re doin
G
Every time you move to the beat
F
It gets harder for me
C
And you know it, know it, know it

C F
Don t stop cause you know that I like it
G
Every time you walk in the room
F
You got all eyes on you
C
And you know it, know it, know it

C F
You re coming close now, swear I can taste it

C **F**
You got me tongue tied, I can't escape it

C
I'm loving what you got

F
But then you push me off

C **F**
Oh oh oh oh

G
And everybody wants to take you home tonight

G
But I'm gonna find a way to make you mine
