Your eyes seek conclusion in all this confusion of mine
         F#                                                 B
But you and I both know it s only the warm glow of wine
            E
That s got you to feelin  this way
           B
But I don t care I want you to stay
F#                                      E       B
Hold me and tell me you ll Be Here To Love Me today.

The children are dancin  the gamblers are chancin  their all
The window s accusin  the door of abusin  the wall
But who cares what the night watchmen say
The stage has been set for the play
So hold me and tell me you ll Be Here To Love Me today.

The moon s come and gone but a few stars hang on to the sky
Where the wind s runnin  free but it ain t up to me to ask why
But the poets are demandin  their pay
They ve left me with nothin  to say
 Cept hold me and tell me you ll Be Here To Love Me today.
