My Baby Loves Me
Martina McBride

I m not sure if it s the same height/string (?) the original song is played in, it s at least playable!

```
A                       D      A
Don t need no copy of Vogue magazine

A                               E     A
Don t need to dress like no beauty queen

A                            D            A
High heels or sneakers he don t give a damn

A                           E         A
My baby loves me just the way that I am

A                           E        A   A D A E A
My baby Loves me just the way that I am

A                     D         A
He never tell me I m not good enough

A                      E       A
Just gives me uncon-ditional love

A                    E       A
Loves me tender He loves me mad

A                           E       A
He loves me silly and he loves me sad

---------------------------------------
CHORUS:

     D                    G          D
He thinks I m pretty He thinks I m smart

A                           E        A
He likes my nerve and he loves my heart

D                       G           D
He s always saying he s my biggest fan

A                           E          A
My baby loves me just the way that I am

A                           E          A
```

My baby loves me just the way that I am

A **D** **A**
When there s dark clouds in my eyes

A **E** **A**
He just sits back and let em roll on by

A **F** **A**
Coming in like a lion going out like a lamb

A **E** **A**
My baby loves me just the way that I am

A **E** **A**
My baby loves me just the way that I am

D **G** **D**
He thinks I am pretty He thinks I m smart

A **E** **A**
He likes my nerve and he loves my heart

D **G** **D**
Don t see no reason to change my plan

A **E** **A**
My baby loves me just the way that I am

A **E** **A**
My baby loves me just the way that I am
