Empty Wallets
5 Seconds Of Summer

[Intro] **Em D G B7**
        Em D G B7

Em   **D**   **G**
Stop digging in your heart cause tonight is on me
               B7
Tonight is on me
Em   **D**   **G**
Stop trying so hard is what you said to me
                    B7
What you said to me

Em   **D**
Get too high when I m high
G   **B7**
So we see eye-to-eye, woah, oh
Em   **D**
Think the high out with the low
G   **B7**
And away and away we go

Em   **D**
Living our lives
G   **B7**   **Em**
Dancing on empty wallets
D   **G**
Spend it all on you
B7
Spend it all on you
Em   **D**
Until we die
G   **B7**   **Em**
Dancing on empty wallets
D   **G**
Spend it all on you
B7
Spend it all on you

Em   **D**   **G**
We got a whole night, won t you live it with me?
            B7
Live it with me?
Em   **D**   **G**
We got our whole lives, but living ain t cheap
              B7
Living ain t cheap

```
Em                        D
Get too high when I m high
G                 B7
So we see eye-to-eye, woah, oh
Em                        D
Think the high out with the low
G              B7
And away and away we go

Em            D
Living our lives
G          B7        Em
Dancing on empty wallets
D                      G
Spend it all on you
B7
Spend it all on you
Em        D
Until we die
G            B7        Em
Dancing on empty wallets
D                    G
Spend it all on you
B7                    Em
Spend it all on you

D                     G
Shoulda caught a break
    B7              Em
The fluid ain t to blame
        D            G      B7
For the sugar causing pain

Em                   D
Living our lives
G            B7       Em
Dancing on empty wallets
D                   G
Spend it all on you
B7                    Em
Spend it all on you

D G                   B7              Em
I always believed in second chances
D G                   B7
I always believed in you
D G                   B7              Em
I always believed in second chances
D G                   B7
I always believed in you

Em                    D
Living our lives
```

```
G            B7          Em
Dancing on empty wallets
D                        G
Spend it all on you
B7
Spend it all on you
Em         D
Until we die
G            B7          Em
Dancing on empty wallets
D                        G
Spend it all on you
B7                       Em
Spend it all on you

D                   G
Shoulda caught a break
   B7                 Em
The fluid ain t to blame
        D            G      B7
For the sugar causing pain
      Em             D
We re living our lives
G            B7          Em
Dancing on empty wallets
D                        G
Spend it all on you
B7                       Em
Spend it all on you
