Capo IV

Bb F Bb F Bb F C F Bb F Bb F Bb F C F 2x

```
     Bb      F              Bb       F
If I needed you, would you come to me?
          Bb       F      C       F
Would you come to me and ease my pain?
       Bb      F           Bb       F
If you needed me, I would come to you
    Bb        F           C         F
I d swim the seas for to ease your pain

             Bb        F             Bb         F
Well, in the night forlorn, oh, the morning s born
        Bb       F               C         F
And the morning shines with the lights of love
             Bb       F           Bb          F
And you will miss sunrise if you close your eyes
    Bb          F        C        F
And that would break my heart in two
```

To lay her lily hand in mine
         Bb    F             Bb        F
Loop and Lil agree, she s a sight to see
  Bb        F       C       F
A treasure for the poor to find

     Bb      F              Bb       F
If I needed you, would you come to me?
