Bright Blue Rose
Mary Black

BRIGHT BLUE ROSE (Mary Black) Capo 1

[Verse 1]
C **F**
I skimmed across black water, without once submerging
C **G**
Onto the banks of an urban morning
C **F**
That hungers the first light, much much more than the
C **G** **C**
mountains ever do

[Verse 2]
C **F**
And she like a ghost beside me, goes down with the case

of a dolphin
C **G**
And emerges unlearned, unshamed, unharmed
C **F**
For she is perfect creature, natural in every feature
C **G** **C**
And I am the geek with the alchemists stone

[Chorus]
F **G** **C**
For all of you who must discover,
F **G** **C**
For all who seek to understand,
F **G** **C**
For having left the path of others
Bb **F** **G**
You ll find a very special hand.

[Verse 3]
C **F**
And it is a holy thing, and it is a precious time
C **G**
And it is the only way
C **F**
Forget-me-nots among the snow, it s always been and so

it goes

```
   C                          G           C
To ponder his death and his life eternally

[Chorus]
C                             F
And it is a holy thing, and it is a precious time
C                   G
And it is the only way
C                                      F
Forget-me-nots among the snow, it s always been and so

it goes
   C                          G           C
To ponder his death and his life eternally

[Outro]
C
One bright blue rose outlives all those
F
Two thousand years and still it goes
   C                          G           C
To ponder his death and his life eternally

I love this song.....timing is difficult.
Capo 1 to tune to CD version of Mary Black.
I made up these chords cos there weren t any to be found
anywhere....only words!  Sounds pretty close to my untrained ear.
So I thought I would share them and give back in thanks for all the
wonderful music that has so generously been shared with me.
