

**End Up Here**

**5 Seconds Of Summer**

Intro 2x: C G F G F

C G

You walked in

F G

Everyone was asking for your name

C G

You just smiled

F

And told them Trouble

C G

My head spins

F

I m pressed against the wall

C

Just watching your every move

G

You re way too cool

F

And you re coming this way (coming this way)

C

G

How did we end up talking in the first place

F

You said you liked my Cobain shirt

C

G

Now we re walking back to your place

F

C

G

You re telling me how you love that song about living like a prayer

F

I m pretty sure that we re halfway there

C

F

But when I wake up next to you

G

I wonder how

C

How did we end up here

( G F G F )

C G

Next day out

F

Everybody thought you were so insane

C

G

F

Cause you were so far out of my league

C

G

My friends say I should lock you down

**F**

Before you figure me out and you run away

**C**

But you don't and you won't

**G**

**F**

As you kiss me and you tell me you're here to stay

**C**

**G**

How did we end up talking in the first place

**F**

You said you liked my Cobain shirt

**C**

**G**

Now we're walking back to your place

**F**

**C**

**G**

You're telling me how you love that song about living like a prayer

**F**

I'm pretty sure that we're halfway there

**C**

**F**

But when I wake up next to you

**G**

I wonder how

**C**

How did we end up here

**G**

**F**

Call me lucky cause in the end

**G**

**F**

I'm a 6 and she's a 10

**C**

**F**

She's so fit I'm insecure

**G**

**F**

But she keeps coming back for more

**C**

**G**

How did we end up talking in the first place

**F**

You said you liked my Cobain shirt

**C**

**G**

Now we're walking back to your place

**F**

**C**

**G**

You're telling me how you love that song about living like a prayer

**F**

I'm pretty sure that we're halfway there

**C**

**F**

But when I wake up next to you

**G**

I wonder how

**C**

How did we end up here

( **G F** )

G

C

How did we end up (how did we end up here) 2x
