Verse 1

It started on a weekend in May
I was looking for attention
needed intervention

Felt somebody looking at me
With a powder white complexion
(stop)
feeling the connection

C5 Bb5
The way she looked was so ridiculous
G#5
Every single step
G5
Had me waiting for the next

C5 Bb5
Before I knew it, it was serious
G#5
Dragged me out the bar
G5
To the backseat of a car

C5
When the lights go out,
Bb5
she s all I ever think about
G#5
The picture burning in my brain
G5

kissing in the rain
Bb5 C5
I can t forget my English love affair
G#5

Today, I m seven thousand miles away

G5

The movie playing in my head

G5

Of her king size bed

Bb5

Means I can t forget my

C5, G#5, G5

English love affair

C5
