[Verse 1]
C#m B C#m B
Youâ€™re wakin next to me, tears splash cross the sun.

You whisper soft to me that I ain t the only one

To breathe your yella (or: raven) hair, caress your bosom fair.

Do you think I really care? Do you think it matters?

[Verse 2]
C#m B C#m B
What do your feelin s mean? Do you think I d love you more,
C#m B C#m F#
If you stood pure and clean of those you d known before?
Ebm G#m Ebm G#m
Would your words be sweeter then, upon November s wind?
C#m B C#m F#
If you began again, could your smile be softer?

[Bridge]
G#m Ebm G#m F#
Would your eyes more brightly shine? Would your laughter be so tender,
G#m Ebm G#m F#
If you d been only mine for as long as you remember?

[Verse 3]

I don t want tears from you, don t build your love on shame.

All that we ve done is through and all we can do remains.

My lady can t you see, I love not jealously?

But for all you are to me and all you ll be tomorrow.
