Man Next Door
Massive Attack

Capo 1st fret

```
A                    C              G
There is a man that live next door
      D           Em
In my neighborhood
Em/F#  D            G
In my  neighborhood
               D
And he gets me down...

He gets in so late at night
Always a fuss and fight
Always a fuss and fight
All through the night

Dm               Am
I ve got to get away from here
Dm            Am
This is not a place for me to stay
Dm            Am
I ve got to take my family
Em                 D
We ll find a quiet place

Hear the pots and pans they fall
Bang against my wall
Bang against my wall
No rest at all

He gets in so late at night
Always a fuss and fight
Always a fuss and fight
All through the night

I ve got to get away from here
This is not a place for me to stay
I ve got to take my family
We ll find a quiet place
```
