Whenever you wake up in the morning,

It s a brighter day

We settle the high seas
Dm

We could always be
F **G** **C**

Baby please please take me
Whisper in reply
With a tear in your eye

But you re so beautiful
And you re incredible
Irreplaceable
I never wanna lose my baby

[Chorus:]

But you are everything I want
And everything I need
It s all because of you
I could barely breathe
Whenever you wake up in the morning,
It s a brighter day
We settle the high seas
Cause baby you and me,
We could always be
I just wanna call you mine
