

Fly Away

5 Seconds Of Summer

C

Counting down the seconds

G

Jumping off these fences

Am

F

Finding our new place to start again

C

Cracks in the sidewalk

G

I m over all the small talk

Am

F

Taking off like fire in the wind

C

I won t waste another day

G

Wishing this would fade away

Am

F

Running and we re never looking back

C

I want a little bit of California

G

With a little bit of London sky

Am

I wanna take my heart to the end of the world

F

Fly away tonight

C

I want a little bit of open ocean

G

With a New York state of mind

Am

I wanna take my heart to the end of the world

F

Fly away, fly away tonight

C

A never ending replay

G

Memories I can t erase

Am

F

I see the best of times in front of me

C

Now I m off to paradise

G

Swore I ll never fight

Am **F**

Say goodbye to pain and misery

C

I won t waste another day

G

Wishing this would fade away

Am **F**

Running and we re never looking back

C

I want a little bit of California

G

With a little bit of London sky

Am

I wanna take my heart to the end of the world

F

Fly away tonight

C

I want a little bit of open ocean

G

With a New York state of mind

Am

I wanna take my heart to the end of the world

F

Fly away, fly away tonight

Am

I won t waste another day

F **G**

Wishing this would fade away

Am

I won t waste another day

F **C**

Wishing this would fade away

C

Counting down the seconds

G

Only second guessing

Am **F**

Dreaming of a place to start again

C

I want a little bit of California

G

With a little bit of London sky

Am

I wanna take my heart to the end of the world

F

Fly away tonight

C

I want a little bit of open ocean

G

With a New York state of mind

Am

I wanna take my heart to the end of the world

F

Fly away, fly away tonight
