Miracle Love
Matt Corby

[Intro]
Bm7 D G
G Dadd9 G

[Verse 1]
Bm7 D G
And we were grown on the same round, little blue dot
G Dadd9 G
Although the answers will take their time and they re spending most of it
Bm7 D G
So could it be that the nightmare, is upon us
G Dadd9
And heavy hearts can t decide when they Â€Â™ve had enough
G
So they re burning out cold

[Pre-Chorus]
Bm7 D G
Oooh it s a steady fall from the pinnacle, to the bedrock
G Dadd9 G
And so we set out to bring back that miracle love.
Bm7 D G
I said I Â€Â™d never do you harm but I was wrong
D/F# Dadd9/C G
It Â€Â™s so hard to believe but I barely can see where we came from

[Chorus]
D Bm7
We got carried away
D G D
All the love that I was blind to
A/C# Bm
And I made my mistakes
D G D
And I laid them all beside you
A/C# Bm7
We got carried away
D G D
So much love that I was blind to
Dadd9/C Bm
And I made my mistakes
D G D
So you put them all behind you
Bm7 D G
Can we bring back that miracle love?

```
                 G                Dadd9  G
Can we bring back that miracle love?

[Verse 2]
  Bm7                D                           G
Oooh and I would guess that we Â€Â™re losing sight of the right way
    G                           Dadd9
And though the ending is in my mind
                        G
I doubt that talking s gonna do much for it
         Bm7           D            G
ooh-ooh-ooh and someday, someday, a long time from now
           D/F#                      Dadd9/C
We ll be remembered as the ones who couldn t hold it down
             G
Who couldn t fight back for it

[Chorus]
       Gm/Bb        Bm7
We got carried away
D                              G    D
All the love that I was blind to
      A/C#       Bm
And I made my mistakes
D                          G     D
And I laid them all beside you
       D/C      Bm7
We got carried away
D                              G    D
So much love that I was blind to
      D/C        Bm
And I made my mistakes
D                          G     D
So you put them all behind you
                       D/A         Em/G  D/F#  Em/G
Can we bring back that miracle love?

Can we bring back that miracle love?
