## Gotta Get Out 5 Seconds Of Summer [Intro] в|------A|--3-----3------5-----------| E | ------| [Verse] B | -----A | --3-----3-----5-----5------| E | ------| even when the sky is falling down even when the earth is crumbling around my feet even when we try to say goodbye you can cut the tension with a knife in here Em Cmaj7 cause I know what will happen if we get through this [Chorus] G C and if the earth ends up crumbling down to its knees baby EmCadd9 we just gotta get out, we just gotta get out

and if the skyscrapers tumble down and crash around then baby

we just gotta get out, we just gotta get out

```
A | --3-----3------3--------|
E | ------|
I feel so damn lost
and it comes with a cost
 Cmaj7
of being alone
                   Em
everything is falling down we re suffering hopeless thought
                     Εm
and out we sing prayers go to the sky
[Chorus]
G
 and if the earth ends up crumbling down to its knees baby
Em
               D
 we just gotta get out, we just gotta get out
G
 and if the skyscrapers tumble down and crash around then baby
Em
                            Cadd9
 we just gotta get out, we just gotta get out
[Bridge]
D
       Cadd9
 and if we fall (it s not your fault)
       Cadd9
 shadow covering (our selfish foes)
       Cadd9
                         Cadd9
 and as our love (go out of the high note)

even when the sky is falling down
even when the earth is crumbling around my feet
Cmaj7
around my feet
[Chorus]
