

If Walls Could Talk  
5 Seconds Of Summer

[Intro] **Em C Am**

**Em**

Some things are meant to be secret and not to be heard

**C**

**Am**

So if I tell you, just keep it and don't say a word

**Em**

Yeah, when the doors are all closing, it's bound to get loud

**C**

**Am**

Cause all these bodies are hoping to get addicted to sound

**Em**

Oh, not everything is so primitive

**C**

**Am**

Oh, but I'm giving it

**C**

**G**

If these walls could talk, I'd hope they wouldn't say anything

**Am**

Because they've seen way too many things

**C**

Cause we'd fall from grace, we're falling

**G**

Yeah, we'd fall from grace

**Am**

**C**

**G**

If these walls could talk, I'd hope they wouldn't say anything
